The Life Together Stakeholders Open is the charity golf event to raise funds in support of Life Together Inc. social outreach programs. This non-profit organization programming offers a renaissance for life in the urban community.

# FIRST ANNUAL LIFE TOGETHER STAKEHOLDERS OPEN

Life Together, Inc. is a nonprofit that serves the Tri-State area and particularly Memphis, Tennessee. Children and youth, seniors, the incarcerated, and the socially disadvantaged have benefitted from Life Together programs for more than a quarter century. During the drug epidemic of crack-cocaine in the late 1990's, Life Together, Inc. conducted a "Take the Pledge Campaign" against gangs, guns, drugs, and violence. Over 3000 youth and adults took the pledge and wore specially prepared t-shirts that displayed the pledge. Currently, the Final Escape Program for ex-offenders is headlining the nonprofit's efforts. Having dedicated renovated facilities on 588 Vance Avenue, the Final Escape Program provides mentoring, employment readiness training, and a curriculum-based skills course for ex-offenders asserting never to go back to jail again.

The Life Together Stakeholders Open is a golf tournament that honors golfers both past and present. Our goal is to shine a light upon the "old timers" that were denied the right to play professional golf because of race. Memphis has men and women of such gifted golfing abilities. Most are past their prime! It is these individuals that the tournament will honor as well as raise funds to support Life Together social programming.

The tournament will be conducted on September 25, 2021 at North Creek Golf Course in Southaven, MS. Each of the 18 tee boxes will bear the name of a past or present golfer who has displayed excellence, ancillary support for the African American community, and a sustained, undeniable love for the game. Keeping those names alive and remembered is very important.

After the tournament is played, the presentation ceremony for the winning teams and various contests will be conducted. The last event will be the presentation of the inaugural winner of the Greg Odom Excellence Award for Amateur Golfers. Named in honor of the late Greg Odom, Sr., a business man and amateur golfer, this award will be presented annually.

# GREG ODOM'S BIO

Gregory Odom, Sr. was a husband, father, businessman, and friend. He was especially a golfer of great skill. Born poor and African American didn't stop him from learning, playing, and sharing the game of golf. Among great amateurs in Memphis, Tennessee, Greg could hold his own. Not a big hitter, but deadly accurate, he understood the lay of the land. Greg was hardly ever out of competition.

Greg did a lot for the game that gave him so much. He coached the youth, conducted charity tournaments, and was the encourager of anyone attempting to play the game. His son, Gregory Odom, Jr., a collegiate player at Howard University was Greg's pride and joy. Gregory Odom, Sr. passed away on May 1, 2021. Two days after Greg's death, Greg, Jr. won the national PGA Collegiate Championship. Mrs. Shirley Odom, widow of Greg believed that Greg, Jr. would win that week, and will now go on to bigger and more impressive victories as a pro one day. She said, "Greg and Greg Jr. were so much alike and both are real champions."

Gregory Odom, Sr. has been selected as the prototypical Amateur African American golfer of excellence. The Life Together Board of Directors has named its Stakeholders Amateur Golfer Award after Gregory Odom, Sr. This award will be presented annually to an amateur golfer for excellence, a competitive spirit, and for community-minded contributions. The inaugural winner will be announced at the Life Together Stakeholders Open on September 25, 2021.

Gregory Odom, Sr.
